[Bistro B](#), opening (date) will serve breakfast and dinner, offering an up-casual menu of contemporary and classic selections enhanced by locally-sourced ingredients.

Bistro B is the latest creation of Jason Milanese, who, along with partner Steve Montello, contributed to Bridgeport's redevelopment with his acclaimed Barnum Publick House.

"Jason's worked in some of the country's most respected hotel kitchens including Chicago's Palmer House," said Westport Inn General Manager, Nora Gomez. "He's a great chef who also understands the needs of a hotel and its guests. I look forward to a long and successful partnership."

"We know that today's guests are looking for hotels and restaurants that reflect their surroundings," said Gomez. "With Bistro B, we have a local chef expanding his footprint and presenting familiar selections with upscale twists that are sure to please our hotel guests as well as our Westport neighbors."

Gomez added that Bistro B also will provide catering services for small groups and meetings.
